REGARDING: Housing Choice Vouchers (Section 8) Families living in Providence Village

Denton Housing Authority (DHA) has communicated with all of our families living in Providence Village, TX, who may be impacted by the recent changes established by the Providence Village Homeowners Association (HOA). Families have been instructed **NOT** to move and their rights under the lease agreement with the property owner, not the HOA. Families have also been informed of their rights under Fair Housing, and they may file a complaint with the Fair Housing and Equal Opportunity (FHEO).

If any family wishes to move due to harassment, threats, or intimidation from other residents or the HOA in Providence Village, may be issued a new voucher to relocate. Assistance will be provided by DHA. Please contact your Case Specialist at 940-383-1504.

DHA is working with HUD and FHEO to file Fair Housing Complaint on behalf of the 81 families under our program.
